Solitude Monitoring
Mazatzal Wilderness
South Fork Trail

Monitoring Area
Between the junction with the Deer Creek Trail and the Wilderness boundary.

Driving Directions
The Deer Creek trailhead is directly across from the intersection with AZ Highway 87 and AZ Highway 188, south of Rye and west of Jakes Corner. It’s a several hundred foot section of graded gravel road to the parking area off the highway and is accessible by any vehicle.

From the trailhead, follow the Deer Creek Trail 0.5 mile to the junction with the South Fork Trail. This is the start of the monitoring area.

Trailhead coordinates: 34.037072, -111.369706
