Driving Directions
From I-19 in Green Valley, take exit 63 for Continental Road and head east for 1 mile. Turn right onto White House Canyon Road/Madera Canyon Road, following signs for Madera Canyon. Continue just over 13 miles to the end of the road in Madera Canyon. The Super Trail trailhead is clearly marked by a sign.

Madera Canyon is a fee area and requires an $8 day use fee for parking, payable at multiple self-service fee stations throughout the canyon with cash or check. Due to high use, parking can be challenging to find nearby at times.
