Cottonwood Mountain Trail

Monitoring Area

Between the trailhead at the end of Forest Road 677 and top of ridge near Cottonwood Mountain.

Driving Directions

High clearance 4WD required.

From Safford, drive 13 miles westbound on Highway 70 and turn left onto the graded gravel Klondyke Road approximately 6 miles after leaving Pima. Follow the Klondyke Road approximately 20 miles until coming to a sign for "Sand Tank - 4 mi" and "Trail 66 - 4 mi". Turn north onto this road and follow signage for Forest Road 677.

4WD and high clearance is needed to follow the road to its end. You will pass through two gates, and park just before the third gate, which has become the de facto trailhead.
